COMMERCE reserves the right to suspend all or part of the Grant, withhold further payments, or prohibit the Grantee from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Grantee or a decision by COMMERCE to terminate the Grant. A termination shall be deemed a "Termination for Convenience" if it is determined that the Grantee: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Grantee the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Grantee and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Title to all property furnished by the Grantee, for the cost of which the Grantee is entitled to be reimbursed as a direct item of cost under this Grant, shall pass to and vest in COMMERCE upon delivery of such property by the Grantee. Title to other property, the cost of which is reimbursable to the Grantee under this Grant, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this Grant, or (ii) commencement of use of such property in the performance of this Grant, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A. Any property of COMMERCE furnished to the Grantee shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this Grant.

Scope of Work

The Eviction Rent Assistance Program Grant is intended to prevent evictions by paying past due and future rent, targeting limited resources to those with the greatest needs while working to distribute funds equitably.

To meet the Equity Program Goals, the grantee must actively work to partner with By and For¹ service providers in their communities that assist and serve marginalized populations.

Equity Program Goals:

Promote racial equity in who is served, with a focus on equity for groups of people who historically have not been provided equitable access to rent assistance and those who have disproportionately been impacted by the COVID-19 outbreak: Latinx or Hispanic, young adults, Black or African American, American Indian and Alaska Native, Native Hawaiian or other Pacific Islander.

Commerce will provide a list of statewide organizations that we know of and it is incumbent on the grantee to identify By and For service providers that can best support their community members in accessing assistance.

Performance Measurement

Grantees must ensure equitable access to ERAP.

Equitable access means that the race and ethnicity of people entering ERAP are similar to the community demographics. Equitable access is measured by comparing the percent of people in poverty by race and ethnicity to the percent of people entering ERAP by race and ethnicity.

The percentage of head of households provided rent assistance must at least be equal the proportion to the population living in poverty in the county for each of the following groups:

- ✓ People of Color (includes Black or African American, American Indian and Alaska Native, Native Hawaiian or other Pacific Islander, Hispanic/Latinx, Asian, Other/Multi-Racial)
- ✓ Black or African American
- ✓ American Indian and Alaska Native
- ✓ Hispanic/Latinx

Data from all ERAP grantees in the county will be combined for the purpose of performance measurement and performance monitoring.

¹By and For Organizations are those that are operated by and for the marginalized community to be served. By and For organizations have a primary mission and history of serving a specific marginalized community, and are culturally based, directed, and substantially controlled/managed by individuals from the specific marginalized population they serve. At the core of their programs, these agencies embody the central cultural values of the community to be served. Marginalized communities may include ethnic and racial minorities; immigrants and refugees; individuals who are lesbian, gay, bisexual, and transgender; individuals with disabilities or who are deaf; and Native Americans.

Spending Limit

At grant start, grantees are authorized to spend 50% of granted funds.

Grantees cannot spend more than 50% of the grant without approval by Commerce.

Commerce will release the second 50% of funds after review of performance, or review of sample household files, and (if necessary) implementation of corrective action to meet performance and documentation requirements.

Sub grants to By and For Organizations

Grantees must actively work to partner with By and For organizations in their communities that assist and serve marginalized populations.

At least 5% of the grant total must be sub granted to By and For organization/s, to pay the costs associated with program outreach and assistance to marginalized communities. Marginalized communities may include ethnic and racial minorities; immigrants and refugees; individuals who are lesbian, gay, bisexual, and transgender; individuals with disabilities or who are deaf; and Native Americans.

Commerce will provide a list of statewide organizations that we know of and it is incumbent on the grantee to identify By and For service providers that can best support their community members in accessing assistance.

Grantees must make a reasonable effort to sub grant with By and For organizations. If a grantee is not able to execute a sub agreement, they may ask Commerce for an exemption from this requirement.

Office of Homeless Youth Grantees are not subject to this requirement.
