12. **PUBLIC RECORDS ACT.**

A. This Contract and all public records associated with this Contract shall be available from the COUNTY for inspection and copying by the public where required by the Public Records Act, Chapter 42.56 RCW (the "Act"). To the extent that public records then in the custody of the CONTRACTOR are needed for the COUNTY to respond to a request under the Act, as determined by the COUNTY, the CONTRACTOR agrees to make them promptly available to the COUNTY. If the CONTRACTOR considers any portion of any record provided to the COUNTY under this Contract, whether in electronic or hard copy form, to be protected from disclosure under law, the CONTRACTOR shall clearly identify any specific information that it claims to be confidential or proprietary. If the COUNTY receives a request under the Act to inspect or copy the information so identified by the CONTRACTOR and the COUNTY determines that release of the information is required by the Act or otherwise appropriate, the COUNTY's sole obligations shall be to notify the CONTRACTOR (a) of the request and (b) of the date that such information will be released to the requester unless the CONTRACTOR obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. Ownership of the intellectual property includes the right to copyright, patent, and register, and the ability to transfer these rights. Material which the CONTRACTOR uses to perform this Contract but is not created, prepared, constructed, assembled, made, performed or otherwise produced for or paid for by the COUNTY is owned by the CONTRACTOR and is not "work made for hire" within the terms of this Contract.

17. **ASSUMPTION OF RISK.** CONTRACTOR assumes all risk for the placement and storage of personal property on the Midway premises.

B. If any provision of this Contract is in direct conflict with any statutory provision of the State of Washington, that provision which may conflict shall be deemed inoperative and null and void insofar as it may conflict, and shall be deemed modified to conform to such statutory provision.
