FUNDING AND REPORTING UNDER THIS AMENDMENT

Pacific County Public Health and Human Services is responsible for working on the tasks set forth in their approved and updated workplan as outlined in Exhibit A.

The Youth and Cannabis and Commercial Tobacco Prevention Program's (YCCTPP) mission is to prevent initiation and reduce cannabis and commercial tobacco use by youth, ages 12-20, support adults who influence these youth, leverage resources for promoting and supporting commercial tobacco dependence treatment and reduce cannabis and commercial tobacco-related inequities within Washington State.

The program itself is made up of four (4) different funding sources for cannabis and commercial tobacco:

- The National and State Tobacco Control Program (NTCP) from the Centers for Disease Control and Prevention (CDC) and Office of Smoking and Health (OSH);
- The Youth Tobacco and Vapor Product Prevention Account (YTVP);
- The Dedicated Cannabis Account (DCA); and
- The Tobacco Prevention Provision (TPP).

Total consideration for this amendment: \$10,001.11 and is further divided as follows:

Chart of Accounts, Program Name or Title	Funding Period Start Date	Funding Period End Date	Funding Amount	Funding Source

Exhibit A	Statement of Work
-----------	-------------------

EXHIBIT A: STATEMENT OF WORK

The Pacific County Public Health and Human Services (PCPHHS) and CHOICE will work together on a series of events that will be focused on cannabis and commercial tobacco prevention efforts towards youth, school districts, and community members. With this relationship, we are hoping to strengthen the work being done around smoking and vaping, leverage the expertise of ESD 113 professionals in the region, and increase cessation by youth in the region.

Responsibilities of Pacific County Public Health and Human Services Dept.

1. **Deliverable:** Work with school districts to identify prevention needs, promote prevention resources, review and revise school discipline policies and practices, to ensure they are equitable and restorative, centering treatment over punishment.

Activities:

- a. Create at least 1 campaign aimed at school staff that focuses on the importance of prevention through education and early intervention.
- b. Collaborate with at least 2 schools to create a community Prevention Newsletter and disseminate it to students

2. **Deliverable:** Create a community engagement campaign around safe storage of substances for the county

Activities:

- a. Create a social media campaign around this topic that includes a minimum of 2 posts per month.
- b. Work with at least 1 local coalitions and at least 1 business to provide access to RX take-backs and lockboxes at least once a year.

3. **Deliverable:** Grow the current prevention network in Pacific County

Activities:

- a. Table at coalition events and/or resource fairs at least once (1) per month.
- b. Attend at least 2 subcommittee meetings providing technical assistance

Responsibilities of CHOICE to Pacific County Public Health and Human Services Dept.

1. CHOICE will disburse funds to Pacific County
2. CHOICE will provide technical assistance if needed
3. CHOICE will report to DOH on implementation progress

Other Activities

To ensure compliance and consistency with program requirements, CHOICE will conduct a series of monitoring activities throughout the life of this contract and any subsequent amendments and/or extensions made by either CHOICE or DOH. Those activities include, but are not limited to, the following:

- Reporting on any other activities outlined in PCPH's Work Plan as listed below:
- Timely reporting by Subrecipient/Subcontractor
- Audit of Subrecipient/Subcontractor invoices (if applicable)
- Site visits
- Regular attendance to network monthly meetings and activities
